## Some Madness, but mostly just March

The Willow Room didn't seem quite so tiny this month, as we had a slightly smaller turnout for our March meeting. Welcome to Nancy McKenzie, long time viewer first time shopper. Let's hope she comes back and breaks out that mandolin of hers soon. Also welcome back to Rusty Collicott, whom we haven't seen for awhile. Another notable attendee was Ernie (pic left); he's been in a sling while his shoulder was on the mend, but tonight he was sporting a guitar in hand and a Garth Brooks headset on his topknot. About halfway through the first lap, we took a break to introduce ourselves, and I quite nearly fell out of my chair when the quiet B. Fontaine said, "I'm Bob, with ONE 'O'. Luckily I wasn't drinking anything at the time or it would have shot out of my nose.

We collectively got after Rusty for copyright infringement. He called his second song 'Spring 2014'. HEY! That's how Ken names his song, and I think he already wrote that one. We also had a wonderful spin on 'Tennessee Waltz' by Genie. Imagine running into the couple some 20 years down the line, and time has not been kind. Great song parody. She also took a few moments to show us her beautiful guitar (pic right), custom made to her specs by a friend.

"Little Red Riding Hood" (two 'o's) was our group effort. This was either the 3rd or 4th time we've dragged this one out, and drag it through the muck we did, one of our worst efforts to date. This one's on me; I was singing loudly, got lost early, and just plodded on without correction. All I can say is YIKES, and my apologies.

## Events, all flavors

### April 3, 2018 Cheyenne Guitar Society Sunflower Room, 6:30-9:00pm

As you all know, we never make it to 9pm, but sometimes we get close! We'll be back upstairs in the grain silo for April, so ride that elevator like you stole it. All are welcome, no fees or membership requirements, no instrument or skill requirements, just come and listen if you'd like!

### April 17, 2018 Mark Krooz 6:30 pm. Laramie County Public Library 2100 Pioneer Ave. Cottonwood Room

Mark plays a double neck guitar, both necks at the same time. No he is not an octopus just an extremely talented musician. As all library events, this is free and open to the general public, with seating limited to about 120.

### June 28, 2018 History of Blues Laramie County Public Library 7pm Cottonwood Room.

This group talks and plays about the roots of blues music in America. I'll have more information as the date approaches.

### TBA House Concerts in 2018

The Guitar Society Foundation is ripe, and ready for some action. Russ put it to the crowd at the Valentine Dinner about possible hosts and had several takers. We've also been contacted by some great performers wanting to play for us this year, so look for that to happen! House concerts are usually between \$10 and \$20, depending on the artist. Up close and personal with some amazing talent, it's about as good as it gets. Stay tuned for dates as things firm up.

### Stampede Jam Session Thursday nights 6pm Chugwater Saloon 417 1st St. Chugwater, WY

Typically 10-12 musicians show up to get down, have some fun, and swap tunes. Contact Merwyn Nilson at 307-422-3200 for more information.

### Cheyenne Concert Association

Ernie is going to fill us in on their upcoming concerts. They sponsor world class acts, but the CCA is struggling to keep the program going as they are running out of patrons and funds. Let's help keep Cheyenne's music scene diverse and vibrant when these concert opportunities arise!
